CAR 2018 featured esteemed speakers from Canada, USA and France who presented on various subspecialties under the field of radiology.
CAR 2018 was Canada’s first specialty conference whose theme was centered around Artificial Intelligence (AI). The meeting addressed various topics that are central to the radiology profession, such as emerging technologies, their application into current workflows, and how CAR members can harness the power of AI to improve patient outcomes.

**KEYNOTE SPEAKERS**

Ron Summers, MD, PhD  
James Min, MD  
Darcy Wolfman, MD  
Lorraine LeGrand Westfall, MD

**FEATURED TOPICS**

- The Impact of Deep Learning and Artificial Intelligence on Radiology  
- Machine Learning in Medical Imaging  
- Neural Networks and Deep Learning for Radiologists  
- AI: Challenges and Controversies in Clinical Applications  
- Thoracoabdominal CT in 2018  
- Prostate MRI and PIRADS V2 Practical Workshop  
- Endometrial Imaging  
- Ultrasound

The 2018 CAR Distinguished Career Achievement Award was presented to Dr. Mayank Goyal for his outstanding contributions to clinical research in acute stroke triage, diagnosis and endovascular therapy.

The 2018 CAR Young Investigator Award was presented to Dr. Jacob Jaremko. In addition to his accolades as a scientist and educator, Dr. Jaremko is recognized by his peers and colleagues as an excellent clinician, a stalwart citizen of his department, and credit to his profession.

The 2018 CAR Gold Medal Award was presented to Dr. Lawrence Stein. He is recognized as a leader by his peers by virtue of his long and successful career in academia, teaching, and his outstanding contributions to the advancement of radiology as a specialty.

The 2018 CAR Gold Medal Award was presented to Dr. Lawrence Stein. He is recognized as a leader by his peers by virtue of his long and successful career in academia, teaching, and his outstanding contributions to the advancement of radiology as a specialty.

The CAR recognized the inaugural class of Fellows of the Canadian Association of Radiologists. Recognition as a Fellow of the CAR demonstrates a history of service to the Association and the profession of radiology as a whole.

This first class of fellows are:
- Dr. Jean Chalaoui
- Dr. Raquel del Carpio-O’Donovan
- Dr. James Fraser
- Dr. David Fraser
- Dr. Mayank Goyal
- Dr. Ian Hammond
- Dr. Brian Lentle
- Dr. Jacques Lévesque
- Dr. Edward Lyons
- Dr. Douglas MacEwan
- Dr. William Miller
- Dr. Martin Reed
- Dr. Louise Samson
- Dr. Lawrence Stein
- Dr. Karel ter Brugge
- Dr. David Vickar
EXHIBITION

The 2018 Annual Scientific Meeting of the CAR broke records in overall attendance and booth exhibitors with more than 30 brands participating from the field of radiology and diagnostic imaging.

The event delivered a valuable opportunity for companies to network with esteemed radiology societies, CAR board members, key decision makers and more than 550 delegates.

“Congratulations to the 2018 edition CAR organizers for bringing a fantastic group of experts, speakers and innovators with united vision of care enhancement.”

Carl Syms, Account Executive, AGFA Healthcare

THANK YOU TO ALL OUR SPONSORS OF CAR 2018
