COVID-19

EMERGENCY RADIOLOGY REPORTING ROOM RULES

SOCIAL DISTANCING > 2M

Keep a minimum distance of 2m from everyone you come in contact with. Attendings should review and finalize cases on their own workstation.

WIPE DOWN WORK AREA

Wipe down your entire work area BEFORE and AFTER each shift. This includes workstation, desktop, phone, dictaphone and chair.

WIPE DOWN YOUR CELLPHONE

Wipe down your cellphone when you arrive and before leaving.

ONE PERSON, ONE WORKSTATION

Your workstation is yours for the entire shift, do NOT touch someone else's desktop, computer, phone or dictaphone

GLOVE UP IN CT SCAN ROOM

cT scanner console keyboard/mouse are used by dozens of people. Glove up when reviewing cases.

NO FOOD, DISPOSABLE DRINKS ONLY

Absolutely no food allowed, drinks in disposable containers only.

NO reusable cups/bottles.

WEAR FRESH SCRUBS

Grab fresh scrubs before each shift. Let someone else do the laundry and leave the germs at work.
