1.1 WHAT I NEED TO UPDATE – SNAPSHOT

The CAR MAP has provided you with a professional online account where you will be able to keep track of your required CPD credits and complete the required annual forms that provides fullfill the conditions for your approval within the MAP. The approval status is carried across all facilities.

The following guide overviews the sections of the software that are currently available. At each step of the process, please review the existing information within the system to ensure it is correct. If incorrect, edit the information appropriately. At other times, we will require new information to ensure your MAP radiologist profile is complete. Please Save your changes after updating/inputting any information.

1.2 LOG IN – RADIOLOGIST PORTAL

First time logging in? In the email titled, Invitation - CAR MAP online / CAR PAM en ligne, you’ll find a link to the new system’s log in page. If you did not see the link in the email here it is again: https://accred.car.ca/#/auth/forgot-password

a. Enter your email address (this will be the email address you will use to log into the MAP online system) then click on Submit. You will receive a system email (noreply@car.ca) with instructions on how to set your password.

b. Check your email inbox (or spam folder) for an email from “noreply@car.ca”, open the email and click on Set Password. This will bring you back to the MAP online system to create a password.
c. **Create/enter** a password (this will be the password you will use to log into MAP online system) then click on **Submit**.

Reset your Password

Please enter and confirm your new password.

- **View/Update CPDs** button in the Quick Actions area

  ![View/Update CPDs](image)

Each CPD activity will need to be added individually.

Some activities will require you to enter the credits by hour or total number of credits. The system will guide you to the correct field to enter (unavailable fields will be greyed out). For some activities, the system will default to 1 and allow you to enter the total number as per the CPD activity.
To enter a CPD activity:

- Click **Add Activity**

- **Select Category** Type – Unaccredited or Accredited
- **Select Activity** Type – A default list of activities is provided. The Activity selection will prompt the subsequent required fields to open. The certificate from an accredited activity is required for all accredited activities.
- **Enter Hours** or **Total Credits** (as applicable)
- Click on the **Completion** field and select the date as listed on your accreditation certificate or the date of the actual activity if no certificate was made available
- **Description/ Notes:** Enter the title of the activity or any additional notes here.
- **Evidence** – Mandatory for all accredited activities. Drag or upload documentation evidence of completed activity

- Click **Save**

You will return to the CPD landing page where your credit totals will automatically be updated, and a summary table populated with your submitted activities. Use the **Add Activity** button to submit additional CPD activities.
Once an activity is saved, you will not be permitted to make any edits. For any submission errors, you will need to remove the activity by clicking the icon. You will then be prompted to confirm the removal of the activity.

Should you need to re-submit the activity enter a new activity using the Add Activity button.

*You will be contacted by a CDP coordinator if additional details are required.*
1.7 REQUESTS - ANNUAL FORMS FOR COMPLETION

Request forms are required to be completed annually as part of the approval process and are accessible through the home page Requests area.

Use the dropdown list provided, select the form for completion, and click Submit to open the form. This will also add the form (with creation date) under the dropdown list area for ease of access until form is completed.

REQUIRED FORMS TO COMPLETE:
