

**CAR RFS MSN “Online Cross-Country Tour” 2021**

Join representatives from each of Canada’s radiology residency programs at the second annual Online Cross-Country Tour hosted by the Canadian Association of Radiologists (CAR) Resident & Fellow Section (RFS) and Medical Student Network (MSN)! This national online series aims to provide medical students the opportunity to learn about radiology residency programs across Canada with online presentations from the program directors and current residents.

Please register by September 20th at <https://forms.gle/ysPnEsuTQEnmtYdL6>.
