## 1.1 MAMMOGRAPHY ACCREDITATION PROGRAM – PERSONAL PROFILE

The CAR MAP has provided you with a professional online account where you will be able to keep track of your required CPD credits and complete the required annual form to maintain your approval status. **Only MAP approved technologists can work with a MAP accredited unit.**

## 1.2 MAMMOGRAPHY ACCREDITATION PROGRAM – PERSONAL CPD REQUIREMENTS

MRTs must document 15 continuing professional development (CPD) credits in breast imaging completed within the past 36 months. A minimum of 7.5 of those credits must be from accredited activities and substantiated with certificates of completion.

In the **CPD Information** section of your profile’s Home page, you will see your total number of qualifying (completed within the past 36 months) accredited and non-accredited CPD credits.

To view your CPD activities or add new CPD activities to your profile, click on “View CPD Detail”

## 1.5 MAMMOGRAPHY ACCREDITATION PROGRAM – NON-ACCREDITED ACTIVITIES

Non-accredited activities are self directed activities or activities where the activity providers did not go through the process of having the activity accredited as a category “1” activity. The activity may or may not have a certificate of completion. These activities are entered in the MAP system in hours and not credits (Total Credits field will be grayed out and not available for editing).

The MAP system will automatically convert the number of hours entered to credits (0.50 credits per hour).
