

Teleradiology/Remote Radiologist(s) for Saskatchewan Diagnostic Ultrasound Clinics

Full-Time Permanent Position

CIRCLE WEST ULTRASOUND DIAGNOSTICS INC. AND WARMAN MEDICAL IMAGING INC. are established diagnostic imaging clinics offering general ultrasound services. We have a full-time permanent position(s) available IMMEDIATELY for a remote radiologist or teleradiology group. Clinics are staffed and awaiting a reader(s) to resume operating again.

The ideal candidate(s) will be proficient in all areas of ultrasound including general, vascular and MSK ultrasound. Clinic hours are Monday to Friday 8:00 am until 6:00 pm at Circle West Ultrasound and 8:00 am until 4:30 pm at Warman Medical Imaging. There are a total of eight ultrasound rooms between the two locations, remote voice dictation enabled GE Viewpoint PACS and GE Logiq9 and LogiqS8 ultrasound carts.

We are excited to offer a permanent, long-term partnership with a remote Radiologist(s). You will also have the opportunity to shape the direction of both of these imaging clinics.

If you are a board-certified Radiologist with a license to practice in Saskatchewan, and are looking for potential to grow, please submit your application today.

Please email any questions and your CV to circlewestultrasound@shaw.ca.

We look forward to hearing from you!
