### **Academic Abdominal Radiologist with Vancouver Coastal Health (VCH)**

Vancouver Coastal Health (VCH) is seeking a full-time clinical and academic Abdominal Radiologist with fellowship training in Abdominal Radiology to join a dynamic group of 35 academic radiologists providing general and subspecialty diagnostic and interventional radiological services to Vancouver General Hospital and University of British Columbia Hospital.

The successful applicant will be part of a six-member, high-volume Abdominal Imaging section. Responsibilities include provision of diagnostic services and non-vascular image-guided abdominal interventional procedures.

#### **As an Academic Abdominal Radiologist with Vancouver Coastal Health, you will:**

- Participate equally in provision of abdominal on-call services at the Vancouver General Hospital, University of British Columbia Hospital and BC Women's Hospital.
- Teaching activities include undergraduate instruction and supervision of residents in diagnostic radiology and affiliated specialties. The Abdominal Imaging Fellowship Program is based at Vancouver General Hospital, and currently accepts six clinical fellows annually. In addition to teaching responsibilities to the fellows, there are many research opportunities available. The successful applicant will be expected to contribute to the section's academic and administrative mandate.

### **Qualifications**

#### **Education, Licensing, & Experience:**

- The candidate must hold an MD degree or equivalent
- The candidate must have completed fellowship training in Body/Abdominal Radiology (or equivalent).
- All applicants must be eligible for certification with the Royal College of Physicians and Surgeons of Canada and the Licentiate of the Medical Council of Canada (LMCC).
- All applicants must be eligible for licensure in the province of British Columbia.
- University appointment at the University of British Columbia will be granted in the clinical stream commensurate with previous rank/experience.

#### **Knowledge & Abilities:**

- Candidates will have expertise in interpretation of general ultrasound, abdominal CT and MRI, diagnostic abdominal fluoroscopy and abdominal radiographs.
- Be proficient in ultrasound and CT- guided biopsy and drainage procedures.
- Be accredited and proficient in the reporting of CT Colonography examinations.
- Be familiar with the performance of MR fusion-Ultrasound guided prostate biopsy.
- Experience with 3T MRI, Advanced MRI, US and CT Techniques including MR or US Elastography and Dual-Energy CT would be a significant advantage including research in these areas.
- Ability to interpret full body imaging would be an asset, not a requirement, in order to support remote Radiology service across the province of BC.
- Knowledge and research in AI would be an asset

**Interested in applying?** Please email a cover letter and your resume to Jeanette Buholzer (jeanette.buholzer@vch.ca)

Please note that a resume is required to apply for this position.

**As per the current Public Health Orders (Long Term Care/Seniors Assisted Living Provincial Health Officer Order and the Health Sector Order), as of October 26, 2021, all employees and medical staff working for Vancouver Coastal Health must be fully vaccinated for COVID-19. Proof of vaccination status will be required.**

#### **WHY JOIN VANCOUVER COASTAL HEALTH?**

VCH is a world class innovator in medical care, research and teaching, delivering service to more than one million BC residents.
