

## Radiology – Job Description

**Join our team in beautiful Northern Ontario!**

The Timmins and District Hospital (TADH) is recruiting for a full-time or part-time Radiologist to join our innovative, multi-disciplinary referral and teaching hospital in Timmins, Ontario, located in Northeastern Ontario.

### About the Timmins and District Hospital

TADH is a 154-bed referral and teaching hospital. It offers multidisciplinary care in the areas of emergency, medical, surgical, critical care, maternity, newborn, pediatric, long-term care, and mental health services. TADH provides care to a catchment population of approximately 115,000 people.

The Diagnostic Imaging Department is equipped with a fluoroscopy suite, several ultrasound machines, a 320 slice Canon CT and a 1.5T Siemens MRI unit.

The department offers some minor non-vascular interventional services, which are assigned along with other diagnostic studies on a rotational basis. If not trained, willingness to participate and obtain training for CT colonography and BMD certification will be considered an asset. The Timmins and District Hospital supports approximately 95,000 annual diagnostic exams.

TADH radiologists practice in a true consultative manner with the referring physicians and communities. Remote reading from outside of Timmins is not part of our practice.

### Position Requirements

- Candidates must have Royal College of Physician and Surgeons of Canada certification in Radiology
- Applicants must be eligible to be licensed to practice in the Province of Ontario and have Canadian Medical Protective Associate (CMPA) coverage
- Established training and skills in reporting all imaging modalities including: x-ray, fluoroscopy, ultrasound, CT, and MRI
- Strong interpersonal skills and willingness to converse with clinicians and staff at different sites regarding patient care is essential.

### Incentives

- Relocation incentive is provided by the Timmins and District Hospital.
- Applicants can apply for the Ministry of Health Northern and Rural Recruitment and Retention Initiative (N3R). The N3R Initiative includes an \$83,301 incentive over a 4-year period for Canadian citizens and permanent residents who establish a practice in Timmins.

## About Timmins

With a city population of roughly 45,000, Timmins has all the best Northern Ontario has to offer, all seasons, by way of outdoor recreation. There are popular, beautiful lakes within less than an hour of downtown. Timmins offers residents hockey for all ages, local cross country and downhill skiing with recreational programming as well as world-class snowmobile trails. Kayaking is very popular here on the lakes as well as on the Mattagami River running right through the city. There are two eighteen-hole golf courses to enjoy and a large Sportplex Pool complex. Timmins has a well-serviced, busy airport with multiple, daily, short flights to Toronto.
