Job Description

Prairie Skies Medical Imaging is Regina's largest imaging practice.

Owned by local radiologists, we have been providing comprehensive imaging services in 5 community-based clinics, two acute care hospitals and multiple Southern Saskatchewan health centres for more than 50 years.

Prairie Skies offers above average earning potential in a dynamic work environment and a diverse practice opportunity in both community and acute care facilities.

We are currently seeking full time general and sub-specialized radiologists to join our growing hospital and community-based practice.

These are full time, partnership track opportunities that cover primarily

daytime shifts with equitable evening and weekend call responsibilities.

Job Qualifications

Eligible for licensing with the [College of Physicians and Surgeons of Saskatchewan \(CPSS\)](#)

Fellow of the [Royal College of Physicians and Surgeons of Canada \(RCPSC\)](#) (or eligible)

International Medical Graduates are welcome and encouraged to apply.
