

Thoracic Radiologist

The Department of Radiology and Biomedical Imaging at the University of California, San Francisco is seeking a Thoracic Radiologist for a faculty position. The selected candidate will be appointed at the level of Assistant, Associate, or Full Professor in the Clinical X, in-Residence, or HS Clinical series depending on qualifications and interests.

The selected candidate should demonstrate a commitment to building a strong academic career and excellence in clinical care, teaching, and research. The candidate will supervise trainees and provide outstanding teaching to medical students, residents, and fellows at a top radiology training program in the country. To accomplish this, the department seeks candidates who have clinical expertise in all areas of cardiac and thoracic imaging. The selected candidate will provide clinical services primarily at the UCSF Moffitt/Long Hospital but may also include clinical work at other UCSF Health and USCF affiliated sites.

The position requires a MD degree (or equivalent), ability (or eligible) to practice medicine in California, completion of fellowship training in thoracic imaging (completed by appointment start date), and expertise in thoracic and cardiac imaging. Applicants are expected to be board certified (or eligible) in Radiology.

The UCSF Department of Radiology & Biomedical Imaging offers faculty salaries that are highly competitive with the national radiology benchmarks. The University of California provides employees with a comprehensive health and retirement benefit packages, in addition to many other benefits. For more information, please visit:

<https://ucnet.universityofcalifornia.edu/compensation-and-benefits/index.html>

The posted UC salary scales set the minimum pay determined by rank and step at appointment. See Table 5: https://www.ucop.edu/academic-personnel-programs/_files/2022-23/oct-2022-salary-scales/t5-summary.pdf. The minimum base salary range for this position is \$135,700-\$360,600. This position includes membership in the health sciences compensation plan (https://ucop.edu/academic-personnel-programs/_files/apm/apm-670.pdf) which provides for eligibility for additional compensation.

Please apply online with CV, cover letter, and statement of contribution to diversity at <https://apptrkr.com/5265494>. In the cover letter, please include a brief description of prior teaching and research experience. Applicant materials must list current and/or pending qualifications upon submission. The selected candidate must meet all of the qualifications at the time of appointment.

The Department of Radiology at University of California, San Francisco seeks candidates whose experience, teaching, research, or community service has prepared them to contribute to our commitment to diversity and excellence.

The University of California is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age or protected veteran status.
