

**Windsor Regional Hospital
Department of Diagnostic Imaging
Seeking Full-Time Women’s Imaging Radiologist**

As a regional provider for women's health and birthing, we are currently looking for a fellowship trained women's health radiologist. Breast tomography skills are required. Contrast enhanced mammography is a welcome additional asset. We are looking for a candidate with leadership ability who is a self-starter and can further develop this sub-specialty practice.

Candidates **must** hold Royal College of Physicians and Surgeons of Canada certification in Radiology (FRCPC) and be eligible for full licensure with the College of Physicians and Surgeons of Ontario.

Windsor Regional Hospital is affiliated with the Schulich School of Medicine & Dentistry, Western University (Windsor Program) and faculty appointment is encouraged. This affiliation will provide the preferred candidate the opportunity to pursue scholarly activities and to participate in teaching at both undergrad, and post-grad, medical education levels.

About Windsor Regional Hospital

Windsor Regional Hospital is a multi-faceted, health services organization operating from two main sites, the Metropolitan Campus and the Ouellette Campus. We are the regional provider of advanced care in areas that include complex trauma, renal dialysis, cardiac care, stroke and neurosurgery, intensive care, acute mental health, family birthing centre, neonatal intensive care, paediatric services, regional cancer services and a broad range of medical and surgical services required to support these specialized areas. WRH is currently actively planning to break ground on a new state of the art acute care hospital in 2026. To learn more, go to <http://www.wrh.on.ca/windsorhospitals>

About Windsor-Essex

The Windsor-Essex area is ecologically rich with extensive parkland along with a southwest location that extends warm weather activities. Windsor offers the unique opportunities of a larger metropolitan area and the benefits of a smaller community. Living directly across the border from Detroit, Michigan places you on a cosmopolitan stage where arts, culture, sports, and entertainment are just moments away. Best of all, you can enjoy access to all of these big-city advantages while living in the relative tranquility (and low costs) of a much smaller community.

Please submit a most recent CV to:

Dr. Jacob Thomas, Chief of Diagnostic Imaging
c/o Chelsey Thornton – Recruitment, Medical Affairs
