

## Diagnostic Radiologist - Abbotsford

- Full Time
- Radiology
- 100256

Abbotsford Regional Hospital Medical Imaging Department is recruiting one full-time general radiologist. This is a permanent position.

The successful applicants will be expected to provide diagnostic medical imaging at a regional care hospital (Abbotsford Regional Hospital and Cancer Agency) and four community hospitals in the Fraser Valley area of British Columbia (Chilliwack General, Langley Memorial, Mission Memorial and Fraser Canyon Hospitals) in general Radiography, Fluoroscopy, Ultrasound, CT, minor procedures, and MRI.

Members of Valley Medical Imaging (VMI), a dynamic, collegial 25-member group, provide radiologist services at all the above hospitals. The group also serves three (3) modern, vibrant, fully digital clinics in Langley, Abbotsford and Chilliwack.

The position offers competitive remuneration.

The team is currently accepting applicants holding full license or provisional license with the College of Physicians and Surgeons of BC, and those who have or are eligible for FRCPC in Diagnostic Radiology.
