

Central Alberta Medical Imaging Services

In Red Deer, Alberta

is offering exceptional career opportunities for a general radiologist.

We are a progressive and congenial group of 21 radiologists practicing in Red Deer Alberta, located between Edmonton & Calgary.

Our practice offers all modalities in both a hospital and clinic setting. The DI department at Red Deer Regional Hospital supports a 370 bed referral hospital with a catchment area of over 450,000. Our hospital equipment includes 2 multi-slice CT scanners, a 1.5T MRI scanner (that runs 18-19 hrs/7 days a week), 2 interventional rooms, 2 nuclear medicine SPECT CT cameras and general imaging. Our outpatient imaging centres include Ultrasound, a 1.5T MRI, 2 nuclear medicine SPECT CT cameras, radiography, mammography, BMD, and a pain management program located in our 2 clinics in Red Deer and new clinic in Lacombe. We also have an ultrasound clinic in Sylvan Lake and tele US in 4 rural sites.

The mission of our group is to provide high quality, state of the art patient oriented medical imaging in a rewarding work environment. To this end, radiologists in our group have low call burden and high amounts of vacation. Work is shared equally and all radiologists with the necessary skills will have an opportunity to work in all areas. Full shareholder status will be offered after one year associateship, if mutually agreeable. Our office has its own fitness center that is available to our staff and to the radiologists and their families.

Red Deer is a vibrant community of 112,000 that offers all the benefits of an urban center without the drawbacks of large metropolitan areas. Calgary, Edmonton, Banff and Sylvan Lake are easily accessible.

It is a family-oriented city with excellent schools and recreational opportunities and a wonderful place to raise children.

Successful candidates must be eligible for registration with the Royal College of Physicians and Surgeons of Canada or have equivalent credentials.

If interested, please contact or forward CV to Dr. Joseph Sommerfeldt joseph.sommerfeldt@camiscare.ca. Residents or fellows in the final years of their programs are strongly encouraged to apply.
