

Join VIHA and Madrona Imaging in Nanaimo, BC – Where Thriving Radiology Practice Meets West Coast Lifestyle

Are you looking for a Radiology position that offers a *dynamic case mix*, a *diverse patient population*, and a *healthy work-life balance* in one of Canada's most spectacular coastal locations? Madrona Imaging invites you to discover a career with our group of highly skilled Radiologists serving Central Vancouver Island. Experience a balanced professional life while enjoying the natural beauty of Nanaimo and the surrounding region.

Why Madrona Imaging?

Expansive Practice: Work at Nanaimo Regional General Hospital (NRGH), the central referral hub for a population of 450,000. Our team covers a breadth of imaging including radiography, ultrasound, mammography, nuclear medicine, CT, and MRI. Expand your skill set with basic procedures such as ultrasound, fluoroscopic, and CT-guided interventions.

Growing Facilities: NRGH has newly renovated units for Intensive Care and High Acuity Care, with construction planned for a BC Cancer Agency facility featuring a PET/CT scanner. Future development of a new hospital in Nanaimo underscores our region's continued growth and commitment to cutting-edge healthcare.

Flexible Scheduling & Work-Life Balance: Choose to work between 36 and 44 weeks per year with generous holiday allowance. After-hours call coverage is just 1 in 10 weeks, and you're done by 10pm—so you can truly rest and enjoy your time off.

Supportive Team: Join a cohesive group of 10 full-time and 6 part-time Radiologists, committed to delivering high-quality patient care. Enjoy competitive compensation packages, including flexible vacation scheduling, so you can live your life on your terms.

Community Imaging Centre: In addition to public hospital facilities, Madrona Imaging owns and operates a community imaging centre in Nanaimo, offering variety and breadth to your practice.

A West Coast Lifestyle Like No Other

Outdoor Adventure: World-class mountain biking, kayaking, golfing, sailing, and fishing are right at your doorstep, thanks to Nanaimo's temperate climate. Enjoy quick access to Mount Washington for skiing and Tofino for surfing on the rugged west coast.

Convenient Access: Nanaimo sits a scenic 90-minute drive north of Victoria and is easily reachable from Vancouver by ferry, float plane, or helicopter. The Nanaimo Airport also services flights from Air Canada and WestJet, ensuring you're well-connected.

Year-Round Leisure: When you're off call, immerse yourself in the vibrant arts scene, explore local farmers' markets, or simply savor breathtaking ocean and mountain views that make every day feel like a getaway.

Qualifications

FRCPC Certification in Diagnostic Radiology

Full licensure with the College of Physicians and Surgeons of BC

FRCPC Certification in Nuclear Medicine is an asset but not mandatory

Fellowship training is encouraged

Ready to Take the Next Step?

Send your CV and a letter of intent to:

Dr. Robert Johnson

Medical Lead, Division Head VIHA GEO 2 Radiology

Robert.Johnson2@islandhealth.ca

Interested candidates are encouraged to consider a one- or two-week locum to experience our practice firsthand and see if our team dynamic is the right fit for you. We look forward to welcoming you to our thriving Radiology family at Madrona Imaging, where you can *grow your career* without sacrificing the lifestyle you deserve.

Come shape the future of healthcare on Vancouver Island—and shape the future you've always wanted!
