

**LOCUM POSITION:
ENDOVASCULAR NEUROSURGEON/INTERVENTIONAL NEURORADIOLOGIST**

Posting Date: March 13, 2025

Position profile – The Division of Neurosurgery, Department of Surgery at the University of Saskatchewan and Saskatchewan Health Authority is actively recruiting a neurosurgeon or radiologist with fellowship training and/or experience in cerebrovascular surgery, endovascular surgery or interventional neuroradiology.

The position is based at Royal University Hospital in Saskatoon. There are three Cerebrovascular/Endovascular Neurosurgeons providing provincial comprehensive cerebrovascular and endovascular neurosurgery care to a population of over 1.2 million people. The successful applicant will be required to work collaboratively with the neuroradiology and neurology members of the Saskatoon Stroke Program. The individual will be required to provide excellence in patient care, teaching, and research. Significant clinical or translational research interests are required and supported. The anticipated start date for the position is on or after April 1, 2025.

Compensation details – Contract

Benefits – Benefits are the responsibility of the successful candidate

Location of practice – Royal University Hospital, Saskatoon, Saskatchewan

Qualifications/Requirements of the position – Candidates in consideration will hold Royal College certification in Neurosurgery and be eligible for licensure with the College of Physicians and Surgeons of Saskatchewan.
