

RADIOLOGISTS:
DR. PHIL SWITZER INC.
DR. CONNIE SIU INC.

*Greig
Associates*

X-RAY, ULTRASOUND, BMD
& MAMMOGRAPHY INC.

Company Description

For over 70 years, Greig Associates has been a premier provider of medical imaging services for Vancouver's Lower Mainland. With three locations in Vancouver, the professionals at Greig Associates have built a strong reputation within the general public and the medical community for consistently providing high-quality diagnostic imaging services.

Role Description

This is a **part-time role for a radiologist in Vancouver, BC**. The Radiologist will interpret and report on various imaging studies, including X-ray, ultrasound (general body, breast, obstetrical), mammography (including breast biopsies) and bone mineral densitometry.

The radiologist will work closely with other healthcare professionals to deliver accurate and timely diagnostic services, ensure the highest standards of patient care, and use compassionate and effective communication to enhance the patient experience.

This role offers a highly rewarding career in an outpatient clinic setting with no on-call requirements. Enjoy the flexibility to define your time commitment and a supportive, positive work environment where Radiologists are valued.

What We're Looking For

- Fellow of the Royal College of Physicians and Surgeons of Canada, Diagnostic Radiology, or equivalent.
- College of Physicians and Surgeons of BC full licensure eligibility, Diagnostic Radiology.
- Canadian Association of Radiologists mammography accreditation or eligibility.
- CMPA membership.
- Must stay current with CME credits
- Excellent diagnostic and analytical skills
- Strong communication and interpersonal skills
- Ability to work collaboratively within a healthcare team
