

McGill University

NEURORADIOLOGY

GENERAL INFORMATION

Location	Montreal Neurological Institute and Hospital Montreal, Quebec, Canada
Duration	1 or 2 years
Deadline for Applications	Early PGY 4 Deadline for receipt of applications is September 30 (18 to 20 months prior to start date)
Number of Fellowship Positions	1 total (Canadian and international medical graduates)
Fellowship Website	http://www.medicine.mcgill.ca/radiology/fellowship_program.htm
Contact Information	<p>Fellowship Director: Dr. Donatella Tampieri Tel: (514) 398-1908 donatella.tampieri@muhc.mcgill.ca</p> <p>Fellowship Coordinator/Administrator: Cathy Torchia Tel: (514) 934-8084 cathy.torchia@muhc.mcgill.ca</p>

WORKFLOW

General structure	Working hours are from 8:00 am to 6:00 pm. The fellow should be able to function autonomously in interpretation of CT, MRI and Doppler, as well as performing diagnostic angiography, lumbar puncture and occasional myelography. The fellow will also function as a consultant to neurosurgeons and neurologists.
Are there times when fellows overlap and share work?	N/A
How many rounds are you expected to attend? Contribute to?	Fellows are expected to attend and contribute to: Neurosurgery Rounds, Cerebro-Vascular Rounds, and Thursday Neuroradiology Rounds are mandatory.
Other than rounds, are there teaching responsibilities?	Teaching residents and medical students.

How procedure focused is the fellowship?	N/A
Which procedures are you responsible for?	Expected daily case load: CT: 10, MR: 5-6, diagnostic angiogram: 1, Doppler: 3-4
Additional Comments about Workflow:	The Montreal Neurological Hospital and Institute is a major tertiary and quaternary referral center for brain tumors, epilepsy, vascular lesions and degenerative diseases. The program benefits from the close collaboration with 13 neurosurgeons and over 20 neurologists
RESEARCH	
What are the Research Expectations?	Invited to participate in research projects, even those in conjunction with the Brain Imaging Center (BIC).
How much protected time is given for research (per week)?	Protected time may be granted depending on the nature of the project.
CALL	
General	9 days including weekends per month 1 week in 2 Home call
Responsibilities on Call:	All diagnostic neuroradiology and plain films (chest abdomen)
Is there a call stipend?	N/A
Additional comments about call	On weekends and holidays the fellow must come in for a block of hours to read out the cases performed during the on call period. Their expertise may be requested for spinal procedures.
HOLIDAYS AND PAY	
Number of paid holiday's (in weeks):	4 weeks + 1 week for Christmas/New Years
Sick and Caregiver time (in days):	9.6 days
Extra time off (in days):	Conferences: 10 days Study days: 7 days
Income before tax (CAD):	\$65,000

Opportunities for additional income (directly related to the fellowship):	No
Additional Comments about Holidays and Pay:	Fellows are personally responsible for paying the Canadian component of the McGill tuition fees.
