

University de Montréal

ABDOMINAL AND NONVASCULAR INTERVENTIONAL RADIOLOGY

GENERAL INFORMATION

Location	Centre hospitalier de l'Université de Montréal (CHUM) Montreal, Quebec, Canada
Duration	1-2 years
Deadline for Applications	Late PGY 4
Number of Fellowship Positions	2 total (Canadian and international medical graduates)
Fellowship Website	http://radiologie.umontreal.ca/etudes/programmes-de-fellowship/imagerie-abdominale-et-pelvienne/
Contact Information	<p>Fellowship Director: Dr. Jean-Sébastien Billiard Tel: 514-890-8000 ext. 36400 js.billiard@umontreal.ca</p> <p>Fellowship Coordinator/Administrator: France Leblanc Tel: 514 343-5855 france.leblanc@umontreal.ca</p>

WORKFLOW

General structure	<p>Daily rotations in US and Doppler, CT, MRI and nonvascular interventional radiology.</p> <ul style="list-style-type: none"> Monday: CT, MRI Tuesday: Interventional Wednesday: US Thursday: Protected time for research or academic projects Friday: Interventional or CT/MRI
--------------------------	---

Are there times when fellows overlap and share work?	No
How many rounds are you expected to attend? Contribute to?	Attend: 1 per month Contribute to: 1-2 per month
Other than rounds, are there teaching responsibilities?	Yes, fellows have one to two hours per week of teaching responsibilities.
How procedure focused is the fellowship?	Moderate focus.
Which procedures are you responsible for?	Ultrasound and CT-guided biopsies, drainages, radio-frequency ablations and cryoablations.
Additional Comments about Workflow:	The focus of the fellowship can be on diagnostic imaging or non-vascular intervention, as preferred by the candidate. Several ablation procedures are performed under general anesthesia for increased patient comfort and technical freedom. Exposure to contrast-enhanced ultrasound (CEUS) and quantitative liver imaging can be offered.

RESEARCH

What are the Research Expectations?	<ul style="list-style-type: none"> • General comments: Preparation of at least 1 manuscript ready for submission and 1 presentation at an international meeting are strongly encouraged • Number of projects: 1 or 2 • Number of conference presentations: 1 or 2 • Number of manuscript submissions: 1 or 2
How much protected time is given for research (per week)?	One day per week.

CALL

General	Frequency: 1 in 5 weekdays from Monday to Friday – 5:00 pm to 8:00 am. 1 in 5 weekends from Saturday to Sunday – 8:00 am to 8:00 am. Home call.
Responsibilities on Call:	General comments: The fellow acts as a junior staff. There is always an attending on call to provide guidance and review images if needed. Modalities covered: CT, nonvascular interventions Average number of studies completed per call shift: Variable
Is there a call stipend?	No

Additional comments about call	N/A
HOLIDAYS AND PAY	
Number of paid holiday's (in weeks):	4 weeks, plus one week during the Holidays.
Sick and Caregiver time (in days):	N/A
Extra time off (in days):	10 days given for conferences.
Income before tax (CAD):	\$54,000
Opportunities for additional income (directly related to the fellowship):	No
Additional Comments about Holidays and Pay:	N/A
