

University of Ottawa

ANGIO-INTERVENTIONAL

GENERAL INFORMATION

Location	The Ottawa Hospital Ottawa, Ontario, Canada
Duration	1 year
Deadline for Applications	Early PGY 4 (Usually the end of September)
Number of Fellowship Positions	2 total (Canadian and international medical graduates)
Fellowship Website	http://www.med.uottawa.ca/radiology/Angio-Interventional_Radiology/eng/fellowships.html
Contact Information	<p>Fellowship Director: Dr. Stephen Ryan</p> <p>Fellowship Coordinator/Administrator: Avril D'Silva Tel: 613-737-8899 ext. 73249 adsilva@toh.on.ca</p>

WORKFLOW

General structure	Fellowship consists of alternating 2-month blocks at the General and Civic. Each day contains a mixture of inpatient and outpatient interventional procedures. There is more angioplasty at the Civic since that is the bigger Vascular centre, and more oncology-related procedures at the General.
Are there times when fellows overlap and share work?	No, there is one fellow at each site.
How many rounds are you expected to attend? Contribute to?	Attend: Dialysis rounds weekly, hepatobiliary rounds. Contribute to: Occasionally leading IR rounds for radiology residents - once per 2-3 months.

Other than rounds, are there teaching responsibilities?	Teaching radiology residents rotating through IR, since the fellows end up leading the majority of procedures.
How procedure focused is the fellowship?	Heavy focus.
Which procedures are you responsible for?	Fellows are responsible for percutaneous nephrostomy, biliary drainage, transjugular intrahepatic portosystemic shunting and abdominal abscess drainage. Various solid organ biopsies, percutaneous ethanol treatment of liver tumors, percutaneous gastrostomy, esophageal stenting. Balloon angioplasty with/without stenting. Thombolytic therapy.
Additional Comments about Workflow:	N/A

RESEARCH

What are the Research Expectations?	Fellows are expected to complete at least 1 IRB-approved project during course of fellowship, with presentation at annual research day in June.
How much protected time is given for research (per week)?	One day per week.

CALL

General	Frequency: 1-2 weekdays per week 1-2 weekends per month Home call
Responsibilities on Call:	General comments: Must handle any calls from inpatient services/ER requesting urgent interventional procedures and appropriately triage them. If case is to be done urgently, will perform it with assistance from on-call staff. Modalities covered: Interventional. Average number of studies completed per call shift: Number of cases is quite variable, but usually some cases are done each weekend day.
Is there a call stipend?	No
Additional comments about call	N/A

HOLIDAYS AND PAY

Number of paid holiday's (in weeks):	4 weeks of vacation, plus additional 5 days over Christmas or New Year's.
Sick and Caregiver time (in days):	N/A
Extra time off (in days):	Up to 7 days off for academic conference trips.
Income before tax (CAD):	N/A
Opportunities for additional income (directly related to the fellowship):	N/A
Additional Comments about Holidays and Pay:	Up to \$1500 in funding is available for academic conference poster/oral presentations (travel expenses, etc.)
