WORKFLOW

General structure	<p>Time is mainly split between the General and Civic MSK departments, with occasional rotations at CHEO (the Children's Hospital of Eastern Ontario). There are different assignments for each day.</p> <ul style="list-style-type: none"> • Monday: MSK - Civic • Tuesday: MSK - General • Wednesday: MSK - Civic • Thursday: Academic day • Friday: MSK – General
Are there times when fellows overlap and share work?	No, as there is one fellow at each site there is usually no overlap.

How many rounds are you expected to attend? Contribute to?	Attend: Sarcoma and bone tumour rounds, rheumatology/radiology rounds. Contribute to: Resident MSK rounds - 1 hour long, once every 1-2 months.
Other than rounds, are there teaching responsibilities?	Fellows will occasionally teach non-radiology residents doing rotations in the department.
How procedure focused is the fellowship?	Moderate focus
Which procedures are you responsible for?	Biopsies, aspirations, arthrograms, spine injections, vertebroplasty, and RF ablation.
Additional Comments about Workflow:	N/A

RESEARCH

What are the Research Expectations?	Fellows are expected to complete at least 1 IRB-approved project with presentation at annual research day and eventual publication.
How much protected time is given for research (per week)?	One day per week.

CALL

General	Frequency: 1-2 weekdays per month; staying after work until around 10:00/11:00pm. Up to 1 weekend a month - coming in at 8am, staying until about 3:00-4:00 pm (no set time). In-hospital for the time it takes to report the necessary studies
Responsibilities on Call:	General comments: Weekend plain film reporting - reporting mainly emergency and inpatient plain films (chest, abdominal, MSK) Modalities covered: X-ray Average number of studies completed per call shift: Quite variable - on a weekend day, probably around 60 in a day.
Is there a call stipend?	No
Additional comments about call	N/A
